LOLA meeting: December 3, 2021

Meeting called to order @ 7:02 pm by Zoom

Officers Present: Paul Duran; Patti Powell; Pat ten Haaf; Steve Powell; Bruce Pickle; Ryan Greenway and Curt Johnson.

Officers Absent: Ray Bolton

Last month's minutes and the treasurer report were e-mailed to each officer. Patti posted both the minutes and treasurer's report as some members had not read them. A motion to accept the minutes was made by Steven Powell and seconded by Bruce Pickle.

TREASURER'S REPORT:

The report was read by Patti Powell. A motion to accept the report was made by Bruce Pickle and Paul Duran seconded.

ACTIVITIES DIRECTOR REPORT:

Paul talked about the 2022 calendar review. He shared the screen with the survey results as previously e-mailed to all officers. We received a very small amount of responses and believe the results were not an indication of what we needed to provide for the upcoming year. Pam suggested that on free fishing weekend we should sponsor a kids day fishing tournament. It was also suggested that we have a Saturday pontoon fund raiser and a horse shoe/corn hole contest. We reviewed the survey in depth and discussed the possibilities.

UNFINISHED BUSINESS:

The new rental agreement has not been printed yet. Cindy Hodges is waiting for an e-mail of the final proof; Patti will send it to her.

Paul presented a flier for the fishing derby. He zoom screened his sponsorship flier with the Gold Level of \$350.00. He has already been in contact with many businesses that have donated to the fishing derby.

The clubhouse still needs to be winterized. Bruce volunteered to do it as long as he can get in. Steve will unlock the basement tomorrow.

Fish planting didn't happen. The quality of the fish was bad according to the fishery. They could not receive a new batch in time to plant this year. We will also hold off on donating fish funds to M & M Asociation at this time.

There was discussion about advertising more for this event as it did provide good profits for the club.

August 13 elections

September 10 meeting

October 8 meeting and chilli cookoff

December 10 meeting

There was more discussion about having more events. However, it is already a very busy schedule, and we don't have the volunteers to work the events. If we could get more participation from members, then we could include more. We voted on having the fishing derby one or two days. Last year there was very little participation on the second day. It was voted to continue the 2-day derby.
