TREASURER'S REPORT:

The report was e-mailed to the officers and posted by Patti Powell in the Zoom meeting. The insurance covers liability for the members. Nickie will check for cheaper insurance rates as she has contacts in the business. The report was then approved by Pam and Ryan seconded.

OLD BUSINESS:

Tickets for the raffle will be coming soon. They have been ordered. Pam does not have the suit for the raffle yet. Patti and Steve will pick up the suit due to Pam being laid up at the time. The newsletter will be complete this week. Pam will get them ready to be mailed. The permit has been submitted. 300 tickets have been ordered.

TOWNSHIP REPORT:

No report. No meetings have been scheduled due to Covid 19.

CLUBHOUSE REPORT:

The club house will have to be snow plowed before the derby.

NEW BUSINESS:

We still need donations for prizes. Pam has fishing poles. Cash prizes are okay. Magnum Sport is going out of business. But they were never willing to donate before. We discussed the possibility of the Governor not allowing this gathering. We will move forward with the plans. The fishing derby is an outdoor event and the members can make sure we follow proper protocol at the clubhouse. We discussed having food individually portioned or served by one person. Possibly setting up tables on the deck so that many people are not inside at the same time. We will finalize plans on February 6 when we know what the Governor will allow. We plan to move ahead with the derby.

Pam is asking for donations from anyone that can help with prizes.

Next meeting will be February 6, 2021
