

16189 Oakman Drive, Sand Lake, MI 49343

---

**LOLA meeting: October 10, 2020**

Meeting called to order @ 5:05 pm

Officers Present: Steve Powell; Patti Powell; Patricia ten Haaf; Ryan Greenway; Nickie Jensen; Pam Bradfield; Curt Johnson and Ray Bolton

Officers Absent: Bruce Pickle

**TREASURER'S REPORT:**

Submitted and read by Patti Powell. The report was then approved.

**OLD BUSINESS:**

Arrow Swift printed the tickets for the raffle. There are about 50 tickets left. Rustic Sports has tickets to sell also. We should only use word of mouth to sell the tickets and not post the sale on the advertising board on the corner.

**TOWNSHIP REPORT:** No report. No meetings have been scheduled due to Covid 19.

**CLUBHOUSE REPORT:**

Ray took out the dock and the signs. He removed a concrete step that was in the lake. It was reported that two different people have hit the step with their boats. Steve will turn off the water after the colder weather hits. We have antifreeze in the basement for winterizing the building.

**NEW BUSINESS:**

Steve suggested we plan to join the Woodbeck chain of lakes next year for their annual golf outing. Pam will include this event on next years calendar. She will contact them to verify the date in August.

Milt Weeks joined us as a guest speaker. He informed the members of his participation in the fish stocking of Maston Lake since 1997. He worked with Scott Hanshue from Plainwell. Stony Creek supplies the fish. Last year he planted 300 - 7 & 8 lb walleye at a cost of \$831.00. Walleye will run wherever water runs. In previous years they have planted anywhere from 500 to 1000 blue gill and currently getting nice size fish from the lake. He recommended we release off a dock where there is cover for the fish. He said we should plant for a minimum of 5 years. Walleye are now hard to get. We need to order early.

Milt Weeks brought information sheets and passed them to Ray. Ray will follow up and fill out the application to proceed with the fish stocking. We will decide at the next meeting how many and what kind of fish to plant. Ray will get the recommendations.

We discussed including the fish fund as a line item on the membership application if members want to donate.

*16189 Oakman Drive, Sand Lake, MI 49343*

---

There was discussion about merging M & M with LOLA to get more members. We should at least communicate activities to benefit both associations. Discussion was tabled until the next meeting.

November 6 will be the drawing for the raffle. 6 pm at the clubhouse.

Next meeting will be December 12, 2020 9:00 am to set up the new calendar.

MOTION TO ADJOURN, SECONDED AND ACCEPTED @ 5:55 pm
